

Hartshorn-dale Shire Meeting
Sept. 4th, 2008

Officers Reports:

Seneschal:

The July report was submitted on time. I still have no word on the shire charter. Not sure why no one will answer the question about its status. Congratulations to all the new marshals in the shire.

Offices up for election this year: Reminder that those interested in one of these positions will state intent in the October meeting. Election is in November.

Old Business

- Sent account change letter to Molly (Kingdom Exchequer), still waiting for return letter.

New Business

- Unless there is someone with great interest in the job, I will be pursuing another term as exchequer.

MOaS:

Quarterly report submitted.

Several shire members taught classes at Pennsic war this year. These included Galleron de Cressy, Bricia de Neubold, Rainillt de Bello Marisco, Michel Wolffauer, Palotzi Marti, Kolosvari Arpadne Julia, Gavan MacBane, but I may have missed some.

Several shire members displayed their work in the A&S display at Pennsic war this year. I don't have a list of these because I didn't write them down.

Knight Marshal:

Quarterly report submitted on time. No injuries or reportable events. 2 new authorized local fighters (Eric and Jonathan) 1 new transplant authorized fighter (Semja) and 2 looking to authorize (Wenthelen and Jess)

Siege marshal at large: No activities to report. Small treb should be ready for duty. Ask in another week how it all went.

Archery Marshal:

- Practice continues at least once a week and usually twice.

Lots of new folks trying things out.

- We currently have 23(!) archers on the Royal Round rankings.

- We could use more loaner arrows.

- I shall not be pursuing another term as Archery Captain.

Fencing Marshal:

Picked up a mask tester at Pennsic because they were available from Zen Warrior.

I'll bring a reimbursement form and the receipt just in case it's ok. With sales tax, it came to \$63.36.

Thrown Weapons Marshal:

Practices continue on a semi-regular basis, low turnout. Do we want to continue having official practices? Perhaps, with a new marshal in the shire, we might be able to move practices to a more reachable location?

MOL:

Nothing to report from Minister of Lists

I'm not intending on running again for the MoL position, primarily because it's been nearly impossible for me to make Shire meetings and that is a requirement of the officers.

I will be seeking to become an MoL-at-large, so I'll still be available to help when I at shire events.

I hope to make the meeting tonight, because I'd like to give out parking passes to those in need (I only have a few though). However, I may not make the meeting due to finishing up getting ready for Greenlane. remind folks to bring water. I there was a strong guy at the shire meeting who is available around 1 or 2 pm I wouldn't turn down the help with my pavilion.
