MOaS:

Knight Marshal:

Archery Marshal:

Nothing much happened this month.

Practices continue at the Limerick site every Tuesday.
Wednesday practices are starting up again under Neale.

Naomi is preparing to have practices every other Thursday in a new site in King of Prussia.

We also held this little thing called Saint Sebastian's Faire on Saturday, April 30th. We had a good turnout, see Naomi for details, and the roving range was enjoyed by all, as far as I know. Many arrows were shot, some were broken. There was much laughter and some cursing. This meets my criteria for a successful archery event!

We had an incident with Fum's crossbow prod snapping on the shooting line. Reports were filed with the Captain General of Archery, et al. Fum is fine, last I spoke to him, his fingers were sore, but were bending fine.

If anyone is interested, Bhakail is putting together a Combat Archery Team. I believe they plan to fight at Pennsic...

Fencing Marshal:

a few cancelled practices due to lack of marshal at last minute, but still going well. My plan is to make more loaner armor soon (fabric from my stash that I'll never use).

Thrown Weapons Marshal:

I hope the Domesday went out without a hitch last month. Did you get a copy? If Theo asks about the MoL position for his event in October, tell him that I did write him an email and he can consider me **in** for the event at this time.
