### **Officers Reports:**

#### Seneschal:

- The 4th Quarter Report went in on time. Thank you very much Saby, for taking care of that.
- I would like to ask that all autocrats give monthly status reports on the event at the shire meetings with a copy sent to Saby and myself before the meeting so they can be added to the minutes. If you can't make a meeting someone else can present your report for you. I feel like one of the best ways to get people involved is to make sure they know what is going on in the shire, and having status updates on upcoming events will help with this.

#### Chatelaine:

- I have just had one new to us person contact me in the last couple of days. Her name is Beverly (Bella) and she was active in Eisental a couple of years ago. She is looking to get active again with her family. I have told her about Nova Schola and hope that she and her family attend.
- Trying to schedule a newcomer's night, right now the end of Feb looks possible or the first Friday in March.
- Attended Chatelaine's meeting at Birka.

#### Chronicler:

#### Demo-Co Ordinator:

- Looking into helping the Musuem of Indian Coulture in Allentown, PA with archery for a demo in June.
- Need to ask the Shire what the interest might be in a "private" demo with that person then making a donation to the Shire. Never mind
- Look into putting together a Demo Kit as it where, to include, a table, handouts, maybe a small TV/DVD player AIO, plus A&S things to show off. This kit would be used to go to any kind of Renn Faire and other area we might be able to setup a table for free and show ourselves and what we do off.

#### Exchequer:

- Warranting still in progress
- Eryn is the new Exchequer deputy
- Waiting for receipts from Dave to finish up SS&MM
- Preparing to switch account over to my name.
- Account Status: Checking \$1,585,41; Savings \$5.00; and Money Market \$4,507.00 for total of \$6097.41.

#### MOaS:

- The informal garb and sewing workshop in Jeffersonville on Jan. 9th went well.

- Dining with Lorenzo started on Jan 12th with a planning meeting. We met on Jan 19th to do roast chicken and "compote" from the 15th C Italian cookbook. Next meeting was Feb. 2nd.
- I haven't heard of any newcomers or other A&S meetings in January.
- Future activities that people should be thinking about:
  - Future meetings of Dining w/ Lorenzo
    - Mar 6th - Noisemakers Schola - Bakhail
    - March 6 - East Kingdom Arts & Sciences Champion Competition in Carolingia
    - Mar 13 Nova Scola - Shire members should be thinking about what they want to teach and preparing the class.
  - March 27: Mudthaw

#### Knight Marshal:

- practice continues on Weds nights. We have a new regular fighter. His name is Urdoc. I would like to encourage any and all that have desires to play HWC come out to our fair practice.

#### Archery Marshal:

- Winter continues. The search for a new indoor site for archery continues. Schedules have not conspired for an outdoor practice

#### Fencing Marshal:

- we are averaging 6-8 fencers every week (and that's with regulars missing practice due to work or sickness). We have 10-12 regulars
- a new youth fencer and her father (who is a former SCAdian himself) who has come to two practices and is very enthusiastic.
- We have had no injuries, or other incidences.
- The transition from Lillia to myself was smooth, with both the fencers and the church.

#### Thrown Weapons Marshal:

- No practices held because of winter.
- Newer (more simplified) thrown weapons Royal Rounds details have been developed, details will be released once they are finalized.
- Come out and throw at Mudthaw.

#### MOL:

#### Herald:

- There will be heraldic classes and consultation tables at both Noisemaker's Schola and Nova Schola. The classes are not just for heralds; some are of interest to submitters as well.

#### Dance:

- Dance was well attended in January including the Birthday Ball on January 29<sup>th</sup>.

#### Chamberlain:

- Still working on inventorying. If any shire stuff is needed for Nova Schola I need to know before the event so I can track it down and get a hold of it.

#### Accessibility Porter:

#### Chirurgion:

N/A

#### Domesday Editor:

- Nothing to report

Web Minister:

- Contact page has been updated for the new officers
- Nothing yet for Nova Schola (class list, etc) but ready to put something on-line.

Secretarie:

- Reminder to send Reports to me by Day of Shire Meeting
- Shire members with Shire Business needs to also send me their topics/information

**Demo's and Events:**

Nova Schola: Classes are scheduled. Information is out on the list. And budget is confirmed.

St. Sebastians Faire: Canceled

Demo in spring: Not happening. Remove off the list of topics for now.

**Shire Business:**

- Dining With Lorenzos: We have met three times. We have learned to roast, make breaded cutlets, tried a 15<sup>th</sup> century Italian recipe for compote, made tasty savory cheese and had many interesting discussions. We are generating notes for our meetings which we intend to make available to others. Next meeting February 16<sup>th</sup>, we don't have use of the kitchen. So we will discuss the compote, mustard recipes, scaling up (tasty savory cheese as an example) and other fruitful topics.
- Demo coordinator is requesting money for help with demo coordinator. TV, Table, dress dummy, posters etc. Other ideas to add is demo dvd. General shire feedback is good idea. More research requested
